EQUESTRIAN CLUB PROGRAM INFORMATION

The Saddle Up! Equestrian Club (SUEC) is comprised of riders who have excelled through the Adaptive Riding program and are working on mastering their horsemanship skills. Each SUEC meeting gives riders the opportunity to participate in class work, barn work, riding, and horse care. Riders are children with disabilities who have achieved Level #4 in RIDES®, through our Adaptive Riding program, and showed continued interest in excelling their horsemanship skills.

PROGRAM STRUCTURE

The SUEC meets twice a month in the spring and fall and for a full week in the summer to gain their advanced horsemanship skills. Spring and fall meetings are 2 hours long and the summer meeting is 3 hours long for 5 consecutive days, this allows time for extensive unmounted and mounted practice time. Occasional field trips are scheduled to farms, veterinary clinics, and horse shows for additional horsemanship experiences.

PROGRESS & GOALS

The Saddle Up! Equestrian Club curriculum is modeled after the knowledge required of participants in the United States Pony Club. Saddle Up!'s PATH International Certified Instructors break down the knowledge set forth by the United States Pony Club to assist riders in learning these horsemanship skills at their own pace. Instruction is enhanced as instructors teach to each rider's learning style. Goals are set based on the rider's abilities and area(s) of interest.
