FUN ON THE FARM PROGRAM INFORMATION

Fun on the Farm is a summer only, equine assisted learning program where participants get to come out to Saddle Up! for a week and discover the farm from our herd's point of view. Activities such as nature hikes, horse handling, crafts, water play, and riding lessons will teach students leadership, teamwork, and problem solving skills... and they'll have so much fun they won't even know they are learning! Our Fun on the Farm program is designed for children and youth with disabilities from the age of 6 through their 19th birthday.

PROGRAM STRUCTURE

Saddle Up's Fun on the Farm program operates during the summer months only (June & July). Participants are scheduled for a week at a time and come out to the farm from 9am-12pm Monday through Friday of that week. There are two scheduled riding lessons during the Fun on the Farm week. We offer three Fun on the Farm weeks each summer; the first two weeks are for an individual child or youth with a disability and the third week is for the individual child or youth with disabilities and one sibling (6-18 years old).

PROGRESS & GOALS

Fun on the Farm will use RIDES® for assessment of mounted/unmounted horsemanship skills. For more information on RIDES® visit our website at www.ridesinstruction.com. Goals will include mounted and unmounted horsemanship skills, social interaction, and activity participation and are based on the participant's abilities as well as parent/guardian input.

ELIGIBILITY

- Participants must be between the age of 6 and 19 years old and have a documented disability.
- Participants need to be able to willingly interact with the horses and participate in a group setting.
- Participants must have proper head, neck, and trunk control to sit upright on the horse.
- Saddle Up! follows the PATH International Precautions and Contraindications for determining eligibility for our programs.
- Eligibility and program placement will be determined by reviewing the participant's paperwork and completing a New Participant Assessment. There is a \$30 charge for the New Participant Assessment. If the child has already completed a New Participant Assessment for the Adaptive Riding program, then another assessment is not necessary.
